Used Furniture and Appliance Store

Vernon, B.C.**

Great News!!!

We are excited to announce that the Gleaners used Furniture and Appliance store has moved to a permanent location.

We are now at 4405 – 29th Street across from the Carpet Castle in Vernon.

The Gleaners store has been operating at the Kal Tire Location on Kal Lake Road for the past 4 months. We received this space free of charge from Kal Tire. We are most grateful to Kal Tire for allowing us the opportunity to start our used furniture and appliance store. It has been a rewarding experience and the public response has been tremendous. We seem to fill a need in the community for people to recycle their usable furniture and appliances.

We invite you to come and visit our new store. We have almost 3000 square feet with beautiful store frontage in a great location. We are open from 9:30 to 5:00 pm Tuesdays to Saturdays and hope to also start being open on Mondays.

What we need now is furniture and working appliances from anyone willing to donate them. Please call 250-309-8854 if you need to have them picked up, or you can bring them to the back of the new store where a volunteer will meet you.

Please spread the word!!

We can also use more volunteers for a 4 hour shift. Please pray that God will continue to open hearts and bless our efforts in the new store. We now have to pay rent as well as hydro and gas, so we are hoping to increase sales through our new location. All proceeds from the store will continue to go to the operation of the Gleaners plant in Lavington and thereby feeding the hungry.

A big thank you to all who already volunteer and contribute so generously.
